

**Happy Holidays &
Joyous Greetings**

In the true giving spirit of the Christmas Season, we gladly renew a tradition started by AI more than 40 years ago, it is to say our prayers for the BEST possible New Year for us ALL. Ishtar, Pan, Puck, Bast and ALL the other Lab Spirits will join us daily in this labor of love. We warmly invite YOU to share in this great power to joyously ACHIEVE in the coming year 2015!

To participate in our special GROUP NEW YEAR THOUGHTFORM PROGRAM, write YOUR eight most important goals for 2015 on the back of this card and mail it back to your ESP LAB. We will give them special prayer treatment for a full year!

“Almighty Cosmic Forces, Masters of the Great Pyramid, Powerful Teachers, and Helpers of the ESP Lab, My Own Beautiful Spirit Teachers and Guides, please let no harm come to anyone. Now, let there be a complete manifestation of all the positive requests in The ESP Lab New Year’s Thoughtform Program!”

**Merry Christmas, Joyous Holidays
With a HAPPY, PROSPEROUS NEW YEAR!
In LIGHT & LOVE
Your whole ESP LAB Staff**
